The screenshot shows the homepage of Sicherheit.info, an online portal for PROTECTOR and WS. The main navigation bar includes links for Home, Sicherheits-technik, Dienstleistungen, Wirtschaftsschutz, Öffentliche Sicherheit, Private Sicherheit, Arbeitssicherheit, IT-Sicherheit, and Branche Intern. A search bar is located at the top right. The main content area features a news article titled "IT erweitert die Dienstleistungspalette" dated 05.03.2010. The article discusses how All Service Personalienstleistungs-GmbH has expanded its IT services. To the right of the article is a survey titled "Ist Parteien-Sponsoring legitim?". The survey text asks if party sponsorship is legitimate and provides several options for responses. Below the survey is a section titled "Errichter vor Ort" with a sub-heading "Die große Marktübersicht auf Sicherheit.info". A sidebar on the right contains a Sony advertisement with the slogan "Auf Nummer sicher gehen" and an image of a Sony camera. The footer of the page includes social media icons and a link to "Hilfe zu Lesezeichen".
